

## About Us

Airport Taxis Slough has been arranging Airport Transfers from Heathrow Airport for many years and now Airport Taxis Slough has joined the "London Airport Taxis" group of Airport Taxi companies. This will offer all our existing customers a wider range of services and bring many new customers to our growing organisation. Our "First Class" fleet of "Executive" class taxis can carry anything from the solo businessman to very large families without worrying about "Luggage" space. All Airport Taxis Slough vehicles are fully licensed and carry fully comprehensive insurance for your peace of mind.  
Slough Taxi to London - Slough Taxi Services

Slough Taxi to London is an everyday requirement in this day of the high flying Business world and even here Airport Taxis Slough offer a "Top Class" service. In our "Executive" class business users can relax in comfort on their way to the city for that demanding meeting and sit back in comfort and gather those important thoughts. London to Slough is equally as comfortable in one of our "Executive Fleet" and the journey home through "London City" traffic won't be a nightmare. Airport Taxis Slough also has a Slough Taxi Service that can also cover the shorter trips that you might require. The old motto no job too "Short", no job too "Far" Airport Taxis Slough & Management

Airport Taxis Slough has a team of fully trained and licensed "Chauffeurs" that always put the client and client comfort at the top of their priority list. All our drivers have undertaken a C.R.B. check and follow the letter of the law in their licensing requirements. All this is for the safety of the client and gives you peace of mind when making your choice of where to book your next "Airport Taxi". Try out Airport Taxis Slough the next time you are arranging an "Airport Transfer"
